

ORDER OF AUSTRALIA ASSOCIATION

SUBJECT: ADMINISTRATION UPDATE

CONFERENCE, BRISBANE – APRIL 2017

It is pleasing to see the increase in registrations for this National Conference in Brisbane.

We are especially grateful for Mick Davis and the team for all their contributions towards the success of this event.

The (Black Tie) Annual National Chairman's Dinner is well supported by our National Foundation with Brian O'Keefe and Hugh Morgan.

The attendance by the Governor General and other Vice Regal guests will further add towards the overall success. We are delighted that Hon. Shane Stone AC QC and Mrs Stone are attending and that he will speak following the AGM in respect to increasing membership and other policy matters.

SENATOR HON. JAMES MCGRATH MP, COUNCIL FOR ORDER OF AUSTRALIA

We are pleased to see that Hon. James McGrath MP (Assistant Minister to the Prime Minister) continues to strongly support the Order of Australia Council of which he is the Australian Government senior representative. We will be meeting him again shortly in Sydney.

THE ORDER OF AUSTRALIA FOUNDATION, PROGRESS

In our ongoing discussions with Mr Brian O'Keefe, we note that the selection process is well underway with a wide range of universities including Charles Darwin (Darwin), University of Queensland and Deakin University (Geelong). These national awards have a great deal to give the Nation.

THE ORDER, OFFICE BEARERS, STATE/TERRITORIES

Further to our past discussions, we are keen to see further support / notations of your Treasurer / Secretary in future editions of The Order.

These folks continue to provide great support and this is another way to recognise their contributions.

Best regards

W.R. Galvin OAM
National Chairman
