

ORDER OF AUSTRALIA ASSOCIATION

SUBJECT: ADMINISTRATION UPDATE

ADELAIDE, NATIONAL CONFERENCE, 2018

Final plans are now well in hand to stage the 2018 National Order of Australia Association Conference in May 2018 for Adelaide.

Many members may well remember the past successful Conference in Adelaide in addition to the well organised hospitality. The South Australia food and beverage was a highlight and you will see that the organising team is maintaining an economical management approach to the overall event.

The 2019 Conference will be staged in **Tasmania** (organising is well in hand) and the 2020 Conference is planned for the Northern Territory.

MEMBERSHIP, BROCHURES, REVAMP

You will be pleased to see that the range of new reset / member brochures will be discussed at the April meeting. Further work has been completed by Jane Arthur and other examples from Tasmania in addition to that for the Chinese community (Mandarin)

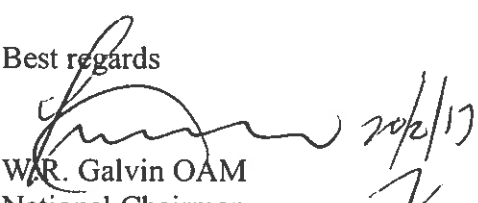

SUPPORTING YOUTH SCHEMES 2017

Many States and Territories have continued in 2017 with the staging of encouraging young people in the local area. Further work is also underway in rural, regional and outback locations.

DARWIN, BOMBING, OAAA

Local members of the Association have played significant roles in remembering the outcomes of the bombing of Darwin. Chairman (N.T) Dr Tom Lewis and Wendy James have been responsible for the outstanding work in this area together with local members.

Best regards

W.A. Galvin OAM
National Chairman
