ACT Student Citizenship Awards 2010

ACT students and schools have the opportunity to be nominated for awards for voluntary community service and demonstration of good citizenship.

The awards are made by The Order of Australia Association on the recommendation of an independent selection panel.

There are two types of award:

- Awards for outstanding individual leadership and achievement by year 11 and 12 students
- Awards for meritorious group activity in community service and citizenship projects for students between kindergarten and year 10.

Individual awards are marked by an engraved medallion and a certificate.

The recipient schools receive an engraved plaque to signify the group awards.

Nominations are called from principals of schools and colleges by the last day of term 3.

Awards are given at a special presentation ceremony in November in each year.

These awards are made under the auspices of the ACT Branch of the Order of Australia Association which seeks to foster love and pride in active Australian citizenship, most particularly in the younger members of the community. The association membership is made up of people who have received an award in the Order of Australia but these student awards have no direct connection with the Order of Australia itself.

The prestigious awards have the support of the ACT Minister for Education and training, Mr Andrew Barr, and of the school authorities, both government and non-government.

Awards were first available in 2009. Awards were made to Radford College for sustained assistance to students with disability at Cranleigh School; and to Holy Family Primary School, Gowrie for a sustained and ever increasing support in the local community and abroad in a wide range of charitable endeavour. No individual awards were made in that year.

The association notes the very diverse and commendable activities undertaken by students within the schools and colleges and in the community at home and abroad. Further information is available on line at www.theorderofaustralia.asn.au <ACT Branch>.

Principals are encouraged to send nominations before the last day of term 3 to STUDENT AWARDS, OAA ACT, GPO BOX 423, Canberra City, ACT 2601 in the form of one or two A4 pages and a covering letter addressed to the Convenor, Student Awards Nomination Committee.
