Metropolitan Sydney Growth - New Initiative for NSW

Our membership in Sydney is on the move and as the city spreads, your Branch is in the process of establishing events for those members residing in North, South, East and West areas of Sydney. The next such event is scheduled on Wednesday October 14, 2009 at 10.00 am (morning tea). Our rationale is to facilitate local events which do not require substantial travel for members to attend.

Contact: Colleen Wardell on (02) 9680 2618.

W. R. Galvin OAM
