Tasmania Branch

OAA Newsletter NOVEMBER 2017**

NEXT MEETING: Wednesday, 29 November, 2017

Hadley's Orient Hotel - Murray Street

10:00 am until 12 noon

Cost is \$5:00 per person - includes morning tea.

Our guest speaker is A/Prof. Jenny Gardner. Her topic is Sir T. W. Edgeworth David and you will be surprised at the links between Jenny, her topic and Hadley's.

Jenny has retired from the University of Tasmania where she was, initially, a lecturer in the Faculty of Education, and later an academic counsellor in the Centre for University Learning and Teaching. In this role she worked with both staff and students across all faculties.

Since retiring Jenny has travelled three times to the Antarctic (to the Ross Sea) where the historic huts of Shackleton, Scott and Borchgrevink are found. She has, very late in life, developed the common affliction of those who travel to this part of the world: "Antarctic Syndrome" - (a strong desire to keep returning to experience the magic of it). As mentioned, there are surprising links, and you will indeed enjoy this illustrated presentation.

Please bring friends - however, to assist our planning, please phone your numbers through or email:
